Details: The American Red Cross Lifeguard Instructor Course designed to train participants to instruct Basic-level American Red Cross Lifeguarding courses. Participants who pass this course will be able to certify lifeguards. Participants will prepare through the use of practice teaching assignments, skills sessions and presentations.

Requirements:

- Minimum age: 17 years
- Posses a current Basic-level Certification in Lifeguarding and CPR/AED with First Aid
- Successfully complete the online portion of the Lifeguarding Instructor course and receive a completion status prior to the in-person skill session.
 - A link will be emailed for the online portion after registration confirmation.
- Successfully complete the prerequisite skill assessment scenario in the pool the first day of class.
 - Details of skills to be completed will be included in your registration confirmation email.

This will be YOUR Certification to carry with you anywhere for 2 years. You will be registered on the national registry and receive a virtual certificate.

Cost: \$ 400
